TRASH: There are trash containers and a dumpster on the premises for your use. Please deposit your disposable trash in the dumpster before your departure. What works good is to use a large lined trash barrel from the garage, put it on the south deck during your stay, saves bags in the kitchen waste can and saves you trips to the dumpster.

GARAGE: There is a 2 car garage for your use.

PETS: Pets inside the lodge are NOT permitted. An outdoor kennel and a heated kennel in the garage are provided. Evidence of pets in the lodge will insure your loss of deposit.

SMOKING: There is ABSOLUTELY NO SMOKING ALLOWED inside Blue Blanket Creek Lodge. Smoking is permitted outside but the native grass around the Lodge is flammable. Please use caution when extinguishing cigarettes. A lingering smell of tobacco smoke inside the lodge will guarantee the loss of your deposit.

GAME CLEANING: We DO NOT allow bird, fish or other wild game to be cleaned in Blue Blanket Creek Lodge. There is a facility in the garage with water, sink and a drain to do your cleaning. There are two refrigerators/freezers in the lodge to store your cleaned game. Any evidence of game cleaning in the lodge will insure your loss of deposit. We highly recommend you clean your fish at the cleaning stations at the boat ramp. If for some reason you have to use the garage to clean fish, please use a spade from the garage and bury the waste somewhere north of the house in the trees. If you put them in the dumpster, since our pickup is only every other week, the dumpster people don't like the smell. When using the hydrant and hose in cold weather, make sure you manually drain the hose of all water and shut off the hydrant just north of garage. Leaving the hydrant open in cold weather will crack it and you will lose your deposit.

APPLIANCES: The washer, dryer, stove, gas grill, microwave, refrigerators etc. are for your use. If something should malfunction, we will make every reasonable effort to have it repaired in a timely manner, however, some malfunctions do NOT necessarily justify a refund.

DAMAGE: The lodge is inspected and thoroughly cleaned following each occupancy. While you are occupying the lodge, you are responsible for missing items or damage caused by yourself, your family, or guests/visitors. Any resulting charges will be deducted from your deposit. Blue Blanket Lodge is not responsible for any injury or accidents to guests or anyone else on the premises at any time.
